

Download process for .zip files from Dropbox.

Select 'Go to folder' from the Dropbox email:

**Hover** (don't click) on the file name and a checkbox will appear on the left.

**Select the checkbox to the left of the file name, and then select 'Download':**

The zipped scorm will then download to your downloads folder. You can now copy this Scorm package to other locations, or upload to your LMS.

**Please note: you should not unzip the Scorm file.** The zipped Scorm file in its entirety is what needs to be uploaded to the LMS.
